Abbasi	Aamir	Jan-70	Dec-75		Pakistan Air Force	aamir_abbasi@sbcglobal.net			Mundelein, IL	Just happened to stumble on this wonderful site that instantaneously brought the most wonderful memories of my childhood. I had the fortune to spend my child hood in Badaber. We were the first group of Pakistan Air Force families that moved in right after USAF left. It was a mystery and fantasy land for me to experience a 'mini America' and always wondered who were the people who lived here before us!!! Any old residents of 1406 ZEBB LARR???? Excited....

Baseer	Shahryar					shahryar1@yahoo.com			Peshawar, Pakistan	I came across this website while searching for some maps for Peshawar. Although the Badaber station was left by the Americans long before I was born, but the houses and base are still standing and people still talk about the days when the American air force personnel were stationed here. Just wanted to say hello to all the people who were stationed here in Peshawar, my home city. If anyone of you ever want to revisit Peshawar then do let me know I will be very happy to show you around my city. Thank you Mr. Shahryar Baseer

Boyd	Edward A.	Dec-63	Feb-65	67151	Finance	seaboyd@comcast.net ; ed_boyd@live.com ; ed@edboyd.com	Hampton	NH	Mukilteo, WA (Seattle)	PAS sign-in: spent New Years Eve, as young buck, holed up in Daharan airport, Saudi Arabia on my way to Karachi via C141...fun! My first impression of Pakistan...riding in the bus from the airport to the Shaheen Jala and seeing a Pakistani perched (squat) on a pipe railing with his feet "curled" around the pipe like a bird! "Where in the hell am I?" Most lasting memory... almost got put in Karachi jail, while on leave to go to Tehran... long story!

Bought some great shoes in Peshawar. Got to see one huge sand storm. Saw many chameleons in the evenings while playing cards on the patio between the dorms. Remember our flight emblem was the Anheiser Busch sign. I went on to spend 24 years in USAFSS/ESC retiring in 1984. Enjoyed every one of them.

Hannan	Abdul	Aug-61	Nov-69		Housing Office & Procurement	destined_hannan@yahoo.com			Islanabad, Pakistan	Pak national worked at Base Housing and Procurement Offices, GBM#522: worked the the Base Housing Office under the supervision of MSgt. George D'Angelo and after his departure TSgt. Tim Holt had taken over. Later, I joined the Base Procurement Office and started working under the supervision of Capt. Hester, Capt. Kettler, and lately under the supervision of Capt Powell and MSgt Brown. I was almost 20/21 when I started working for the USAF there and I was RIFed (Reduction-in-Force) out due to anticipated Base closure in 1970. Nevertheless, my total tenure over there was an unforgettable golden time for me. I would be more than happy to be contacted by any one once assigned there and/or at least known to me.	Civ

McKenna	Edward	Jun-63	Aug-64	202xx	Baker					Flew from Charleston, SC via Bermuda, The Azores, Madrid, Libya, Cairo (forced to land there due confusion about flight clearance), Dharan, Karachi, Rawalpindi, Lahore and finally Peshawar in June 1963. Worked 202 in the front room and the back room. Sent the only Flash that I know about. Turned to be nothing but it was fun for a while. During my trip back to civilization in August 1964, missed my flight from Madrid to SC and had to stay in Madrid for 2 extra days. Ended up taking a TWA charter on Monday morning and it dropped me at Idelwild (now JFK) which was home. As it turned out I beat everyone else home due to Charleston's lack of flights. Also ended up with extra travel pay and 2 days additional leave. We frequented the Class 6 store too often on break. Learned about JFK's assassination at about 1:30 AM via the BBC. Interesting work,should have been a 12 month assignment, and gave everyone a much clearer understanding of celebrity.

O'Donnell	Dick "O.D."	Aug-60	Dec-61	20250	Charlie	dickod1@mindspring.com			Melbourne, FL	My classmates at Goodbuddy thought I was nuts when I opted for Peshawar over Japan but I wanted to get the short tour over first. I actually enjoyed my time at PAS and extended a bit to get home at Xmas time. Never regretted making the choice to go to PAS. Made numerous trips to Khyber and a few to Murree to stay at the Potts' hotel. Bought the requisite number of Wolf Axes and various brass items in the "new" city, frequently ventured into the "old" city to see what was there. I hope to hear from some of the guys that shared the time on Charlie with me. Same goes for anyone at the 6989th in Misawa - I was there Jan 62 - Jan 65.

I've read the entire web site, no mention of the support personnel stationed there to take care of you, your teeth and give you what was needed for medical attention. I personally cleaned everyone's teeth that were stationed there during my tour of duty. After APO 616 closed, we had more medical/dental supplies and personnel than we needed. I 'managed' the bowling alley for a few months in the spring of '62, cleaning teeth at night. Memories: Living in the Gym while the barracks were being built; walking in the rain during monsoon season, water over the shoe tops; Hi-Bi (bye) parties at the pool; the trips to Rawlpindi, Swat, Khyber Pass, Lahore, Karachi at the Salteen (sp) Club, the beach 'hut', body surfing, riding the camels with the Euro Pakistani girls; The GREAT food of the Hotels, crashing parties with the Airline attendants, wow; Jackie Kennedy's visit, wow. Meanwhile back at the 'base'...the outdoor movies, bring your own chair. [cont.]	A1C (E-4)

Zizian	Richard	Jan-58	Dec-61		Warsak Colony (Warsak Dam Project)	richardzizian@aol.com				I lived in Warsak and the only joy in my life in that hell hole was waiting for the blue USAF bus. My family and many families adopted a serviceman from Peshawar Air Station and they became part of our families during their tour of duty. I used to visit the based and watch movies and have real milk and a real steak. I remember Randy Hummel and a very tall man named Jesse Schakelford. They were great guys and I don't know what happened to them. We used to open up our colony country club, pool, bowling alley and dance hall to the service men. If you participated drop me an email.
