O'Donnell	Dick "O.D."	Aug-60	Dec-61	20250	Charlie		Melbourne, FL	My classmates at Goodbuddy thought I was nuts when I opted for Peshawar over Japan but I wanted to get the short tour over first. I actually enjoyed my time at PAS and extended a bit to get home at Xmas time. Never regretted making the choice to go to PAS. Made numerous trips to Khyber and a few to Murree to stay at the Potts' hotel. Bought the requisite number of Wolf Axes and various brass items in the "new" city, frequently ventured into the "old" city to see what was there. I hope to hear from some of the guys that shared the time on Charlie with me. Same goes for anyone at the 6989th in Misawa - I was there Jan 62 - Jan 65.

Hope I'm not stepping on toes here.I've read the entire web site, no mention of the support personnel stationed there to take care of you, your teeth and give you what was needed for medical attention. I personally cleaned everyone's teeth that were stationed there during my tour of duty. After APO 616 closed, we had more medical/dental supplies and personnel than we needed. I 'managed' the bowling alley for a few months in the spring of '62, cleaning teeth at night. McKenna	Edward	Jun-63	Aug-64	202xx	Baker			Flew from Charleston, SC via Bermuda, The Azores, Madrid, Libya, Cairo (forced to land there due confusion about flight clearance), Dharan, Karachi, Rawalpindi, Lahore and finally Peshawar in June 1963. Worked 202 in the front room and the back room. Sent the only Flash that I know about. Turned to be nothing but it was fun for a while. During my trip back to civilization in August 1964, missed my flight from Madrid to SC and had to stay in Madrid for 2 extra days. Ended up taking a TWA charter on Monday morning and it dropped me at Idelwild (now JFK) which was home. As it turned out I beat everyone else home due to Charleston's lack of flights. Also ended up with extra travel pay and 2 days additional leave. We frequented the Class 6 store too often on break. Learned about JFK's assassination at about 1:30 AM via the BBC. Interesting work,should have been a 12 month assignment, and gave everyone a much clearer understanding of celebicy.

Who else heard that one? Also, a lot of our guys visited Mangla Dam. I never did but remember how popular it was.	SSgt
