Zizian	Richard	Jan-58	Dec-61		Warsak Colony (Warsak Dam Project)	richardzizian@aol.com	204	1430						0.0				0.0	I lived in Warsak and the only joy in my life in that hell hole was waiting for the blue USAF bus. My family and many families adopted a serviceman from Peshawar Air Station and they became part of our families during their tour of duty. I used to visit the based and watch movies and have real milk and a real steak. I remember Randy Hummel and a very tall man named Jesse Schakelford. They were great guys and I don't know what happened to them. We used to open up our colony country club, pool, bowling alley and dance hall to the service men. If you participated drop me an email.

The Colony folks always entertained our boys from the base... softball (coolers of beer), swimming at the pool, outdoor movies, etc. I have read ALL previous notes... some of you complained about the food on Base. We were nothing but thrilled to eat at your Chow Hall. I remember reeeal steak!!! What a treat. A few names survive, Chaz, Bear(native American), and Jerry. We lived @ #115. Drop us a line if you please. Frank

I actually enjoyed my time at PAS and extended a bit to get home at Xmas time. Never regretted making the choice to go to PAS. Made numerous trips to Khyber and a few to Murree to stay at the Potts' hotel. Bought the requisite number of Wolf Axes and various brass items in the "new" city, frequently ventured into the "old" city to see what was there. I hope to hear from some of the guys that shared the time on Charlie with me. Same goes for anyone at the 6989th in Misawa - I was there Jan 62 - Jan 65.

We lived in University Town, out there by the "Eagle's Nest". I was 14 years old when I left Pakistan, but have great memories of days by the pool on the Base. I would take the bus from Shahine Jalla(not sure about the spelling) to the Base. Greetings to all the Service men and women of Khair-Sagalie.

Hope I'm not stepping on toes here. I've read the entire web site, no mention of the support personnel stationed there to take care of you, your teeth and give you what was needed for medical attention. I personally cleaned everyone's teeth that were stationed there during my tour of duty. After APO 616 closed, we had more medical/dental supplies and personnel than we needed. I 'managed' the bowling alley for a few months in the spring of '62, cleaning teeth at night. Memories: Living in the Gym while the barracks were being built; walking in the rain during monsoon season, water over the shoe tops; Hi-Bi (bye) parties at the pool; the trips to Rawipindi, Swat, Khyber Pass, Lahore, Karachi at the Salteen (sp) Club, the beach 'hut', body surfing, riding the camels with the Euro Pakistani girls; The GREAT food of the Hotels, crashing parties with the Airline attendants, wow; Jackie Kennedy's visit, wow. Meanwhile back at the 'base'...the outdoor movies, bring your own chair. [cont.]	A1C (E-4)

I had the fortune to spend my childhood in Badaber. We were the first group of Pakistan Air Force families that moved in right after USAF left. It was a mystery and fantasy land for me to experience a 'mini America' and always wondered who were the people who lived here before us!!! Any old residents of 1406 ZEBB LARR???? Excited....

We used to live for the first 4 years in flats opposite bit water tank then we moved to proper houses. Every thing was nice over there. I still want to go again to see that place.
